Larimer County Senior Transportation Needs Report Update

Larimer County’s Senior Transportation Needs Report is expected to be completed by June 2017. The report is satisfying a goal from Larimer County’s 2013-2018 Strategic Plan, which states “an evaluation of the transportation needs and challenges for seniors living in unincorporated Larimer County will be completed. Existing and new options for addressing those needs and challenges will be identified, prioritized, and implemented.” Four focus groups are being held throughout the County as part of the process.

The first focus group was held on February 7 in Red Feather Lakes. A second focus group was held on February 21 in Estes Park. Two more focus groups will be held in March in Berthoud and Laporte. These focus groups are discussing the current and future transportation needs of the senior populations living in unincorporated Larimer County.

At the Red Feather Lakes focus group, attendees stated there was interest in a bus route between Red Feather Lakes and Fort Collins. Although the feedback was from a small sample size, this is an important item to study further as part of the Larimer County Senior Transportation Needs Report.

Attendees at the Estes Park focus group discussed the weather and topography challenges seniors in the area face. They expressed an interest in expanding the service area and vehicle type of the existing Via Mobility service to address these challenges as well as proposing other volunteer driver programs both within the Estes area and to destinations including Denver, Fort Collins, and Boulder. There was a desire for increased education on existing services to improve trip planning.

Rider’s Guide Updates

More than 190 users have logged onto the online service to find potential service matches since January 1, 2017, with 89 percent of users being new. To request printed Rider’s Guides, contact Alex Gordon at agordon@nfrmpo.org or (970) 416-2023.

2017 Coordinated Plan Update

As part of the planning process, NFRMPO staff has set up an outreach program to garner input on the existing services, needs, and the gaps between the two. The outreach program will consider feedback and input from older adults and people with disabilities, the organizations which provide care and transportation, and the caregivers who assist these populations.

The outreach program will have NFRMPO staff attend Senior Advisory Boards, Commissions on Disabilities, Transportation Advisory Boards, and other pertinent community organization meetings. NFRMPO staff will have booths at local events throughout the summer, similar to past years. Additionally, the Coordinated Plan must be recommended for approval by Council from both the Larimer County and Weld County Mobility Committees. As a result, the Coordinated Plan is a standing item at the bi-monthly LCMC and WCMC meetings.

Throughout the outreach process, NFRMPO staff will compile the feedback and identify the goals, strategies, and priorities for the Mobility Committees over the next four years. More information about the Coordinated Plan can be found at http://bit.ly/2m2WQvl.
Mobility Management Funding
The NFRMPO Mobility Coordination Program is funded with Federal Transit Administration (FTA) §5310 funds.

NFRMPO mobility coordination program activities are centered on education and cooperative resource-sharing to use existing transportation dollars most efficiently. Examples include travel training, cooperative research, public forums, program implementation, FTA grant administration and public education.

Funding has been secured through September 2017 after NFRMPO staff submitted applications for §5310 funds to both CDOT for Weld County and Fort Collins on behalf of the Fort Collins-Loveland-Berthoud TMA.
