

**Executive Summary of the  
North Front Range Metropolitan Planning Organization  
Community Advisory Committee**

April 14, 2022

**Attendees:** Cliff Moore, Gary Strome, Doran Azari, Ruthie Rollins, Diego Lopez

**Staff:** Alex Gordon, AnnaRose Cunningham

**Online Interactive Maps**

Cunningham reviewed draft interactive maps, including the TIP Project Map, Hazard Reporter Tool, and the Transportation Hazard Dashboard. The group discussed that the TIP Project Map provides information that can be referenced in the TIP document by searching for the TIP Project ID. The Transportation Hazard Reporter Tool is meant to allow bicyclists and pedestrians to provide potential issues that can be addressed without a crash. The group discussed that the Transportation Hazard Reporter Tool should be used by residents, and Cunningham clarified the information will be shared with local communities to address. The group also discussed adding “time” as an input, whether construction was occurring, and being specific about what kind of transportation is appropriate to report.

**Summer Outreach**

Cunningham reviewed the outreach events NFRMPO staff plan to attend this summer. Gordon requested input on how to discuss the NFRMPO at these town festivals. The group discussed giving context to who the NFRMPO reports to, how the NFRMPO fits into people’s lives, and how people become involved in the planning process. The group also discussed the Transportation Hazard Tool being a good conversation starter. Rollins recommended reaching out to other agencies like Northern Water, which also must explain their purpose and what they do. The group recommended going to City Council meetings occasionally to explain who the NFRMPO is and give occasional updates. The group also recommended reaching out to school districts to get youth involved. Magnets, bike lights, and maps of trails were recommended as giveaways.

**FHWA Certification Survey**

Cunningham explained the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) process to certify the NFRMPO. A survey will be open through May 4, 2022 and is available on the NFRMPO website.

**Next meeting topics:** One-Year CAC Review

The meeting adjourned at 7:00 p.m. The next meeting date will be May 12, 2022.
