

# Northern Colorado Bike & Ped Collaborative

Executive Summary – Wednesday, June 8, 2022

Hybrid Meeting – GoToMeeting & Windsor

## CDOT Region 4 Bicycle & Pedestrian Safety Study

Bryce Reeves, CDOT Region 4 Traffic and Local Agency Resident Engineer, summarized Region 4's Bicycle & Pedestrian Safety Study. Over the last year, CDOT and its consultant have evaluated segments of the State Highway system throughout the Region and identified major segments and intersections through crash and safety analyses and an online public survey. CDOT can share data from the Study with local communities and partners and expects to partner with local agencies to address the identified hot spots. NFRMPO staff will also work with Region 4 to identify ways to incorporate identified priorities into the long-range transportation plan.

## NoCo Bike & Ped Resources

Gordon reviewed available resources on the NoCo website but asked for feedback about additional resources based on the Region 4 Bicycle & Pedestrian Safety Study and the new legislation discussed at the May NoCo meeting. Barzak recommended maps to show trail progress, construction, and need. Gordon reviewed the TIP and construction map developed by NFRMPO staff. Fodge suggested data from trail counters would be helpful.

## Post-MAPG Walk Audit Discussion

Cunningham reviewed lessons learned from the June 2, 2022, Walk Audit undertaken by the Mobility & Access Priority Group (MAPG) at the Foothills Mall. The group tested the Bike & Ped Hazard Reporter Tool currently under development, and Cunningham walked through the results. Geary stated she heard feedback about wayfinding and is working with her team to address wayfinding in the area. Cunningham stated the next Safety Data Working Group will be June 17, 2022.

## TDM Action Plan Discussion

Gordon reviewed progress on the NFRMPO's Transportation Demand Management (TDM) Action Plan, including the proposed vision, goals, and strategies. Gordon stated next steps will focus on identifying implementing partners and measuring success. The group shared feedback, including how TDM is related to investments in bicycling, updates to the street Level of Service, and who needs to be at the table.

## Roundtable

- Cunningham reviewed the Multimodal Options Funds (MMOF) Call for Projects and invited members of NoCo to share questions about projects for the Scoring Committee meeting on June 14, 2022.
- Guthrie stated there are 11 scheduled events for Walk and Bike Month, and Everybody Bike Day will have 18 stations throughout the day.
- Fodge shared his experience in northwest Arkansas with mountain bike trails and there are lessons learned for Northern Colorado.
- Tess from Cycling Without Age shared progress on development of Cycling Without Age and offered to bring a bike to a future meeting.

**Next agenda topics:** Cycling Without Age, Intake Form Review | **Next meeting:** July 13, 2022
