VIRTUAL MEETING

MEETING NOTES

ATTENDEES:	Cory Schmitt, NFRMPO	Sharon Courtney, Office on Aging Advisory Council/PAFC	Katy Mason
	Sheereen Ibtesam, NFRMPO	Connie Nelson-Cleverley, SAINT	Kimberly Baker, LCDHE

MEETING NOTES	No comments.
ONE CALL/ONE CLICK CENTER UPDATES	Schmitt provided an update on RideNoCo including updates on the trip discovery tool, the trip scheduling steering committee, and introduced Sheereen as AmeriCorps Outreach Specialist. Mason asked if rider's would have to contact provider to schedule rides or if there would be a portal to request rides. Schmitt answered that some agencies already have software that allows riders to request rides without calling, but that decision would continue to lie with providers at this time.

Discussion Items

MIDTOWN FORT COLLINS WALK AUDIT	Schmitt presented the Arc StoryMap on Walk Audit. 20 participants participated in the Walk Audit and provided feedback on the current built environment of the Midtown Fort Collins/Foothills Mall area. Pedestrian experience documented though NFRMPO Bike & Pedestrian Safety Reporter tool.
FALL WORKSHOP: HEALTHCARE & TRANSPORTATION ROUNDTABLE	Mason mentioned difficulty in finding specific contacts in medical systems to even plan these conversations but suggested reaching out to PAFC Board Member Alan Heileman who worked for Aspen Club, affiliated with UC Health. Schmitt said vision of these roundtables were to start a dialogue between transportation and medical providers about the transportation needs of patients with the goal of creating a toolkit that can be replicated in other communities and medical centers. Baker said early morning and lunch were usually the best time to get in front of medical staff and to always include food. Nelson-Cleverley said SAINT would be interested in participating.
WELD COUNTY	Schmitt mentioned that a Transportation Committee is starting in Weld County as

AGING WELL TRANSPORTATION	part of the AARP Age-Friendly Community designation for Weld County and given the similar nature and goals of this new group and Mobility & Access Priority Group, asked for words of wisdom for new efforts. Courtney mentioned Mason's hard work to get Larimer County's age-friendly transportation group off the ground and running. Mason mentioned having the right people at the table and a dynamic work group. Schmitt said United Way of Weld County doing job of getting the right partners to the table.

Member Updates

|	Mason mentioned AARP Walking College. Baker and Araceli Newman are involved with AARP Walk College. Mason asked Baker to share information from AARP Walk College and Baker plans to do so at October meeting. Schmitt mentioned missed opportunity for Larimer County to not work with Weld County.

Next Meeting: Thursday, October 6, 2022 – 1:30 p.m. to 3:00 p.m.

TBD

| NEXT MEETING TOPICS	AARP Walking Action Plan (Baker). Healthcare and Transportation Roundtable more details, Walk Audit updates- partners we have heard from

Steering Committee Themes

RIDE NOCO

- **A majority of providers are:**
  - Happy with what they currently have (60+ Ride)
  - Or are getting something tailored to their agency (Via)

- **The focus of trip scheduling software needed to be on meeting the needs of RideNoCo, North 40 Mountain Alliance, and RAFT.**

- **What is the role of RideNoCo in the short vs. long term?**

  - Conducting intake & eligibility and providing warm transfers at Call Center on behalf of providers could be a consensus first step

Phase 3: Next Steps

RIDE **NOCO**

- ***Transactional Data Specifications (TDS)*** lay the foundation for ease of coordination in the future
  - The NFRMPO plans to work with 2 volunteer transportation software vendors currently used by local providers to make platforms TDS compliant

- RideNoCo will procure ***RideSheet*** as a TDS-compliant Customer Relationship Management (CRM) platform.
  - RideSheet is an open-source scheduling platform utilizing Google Sheets developed with funding from AARP

Phase 3: Next Steps Continued

RIDE **NOCO**

- ***The NFRMPO plans to develop a Call for Projects to:***
  1. Provide funding for small, non-profit transportation providers who have or adopt TDS-compliant software platforms
     - Funding available currently

  2. Provide funding support for larger public and non-profit transportation providers in Northern Colorado to implement TDS-compliant software
     - Funding support may be part of a later application
