

## **DATA RELEASE TERMS**

***By accepting data provided by the North Front Range Metropolitan Planning Organization (NFRMPO), you agree to the following conditions of release and acknowledge the following disclaimers issued by the NFRMPO:***

### ***A. Conditions of Release***

The data provided to you by the NFRMPO is to be used only for the project for which it was requested. The intended use of the data must be clearly stated at the time of the request. If the intended use changes, the NFRMPO must be notified in writing. The data may not be released to any other party without the NFRMPO's written consent. The re-distribution of this dataset for profit is prohibited.

### ***B. Disclaimer of Liability***

Neither the NFRMPO nor the contributors of data to the NFRMPO shall be held liable for any improper or incorrect use of the information contained herein and assume no responsibility for the use of the information. In no event shall the NFRMPO or the contributors of data to the NFRMPO be held liable for any direct, indirect, or incidental damages arising in any way out of the use of this data. This disclaimer of liability applies to any damages or injury, including but not limited to those caused by any failure of performance, error, omission, defect, delay in operation or transmission, computer virus, alteration or use of record.

### ***C. Disclaimer of Accuracy of Data***

No warranty, expressed or implied, is made regarding the accuracy, adequacy, completeness, reliability, or usefulness of any information contained herein. The NFRMPO provides this data on an "as is" basis. If the user identifies errors in a data set, the user is encouraged to notify the contact person for the NFRMPO. All warranties of any kind, expressed or implied, including but not limited to fitness for a particular use, freedom from computer viruses, and non-infringement of proprietary rights are disclaimed. Information is added and changed periodically, and data may become out-of-date. It is recommended that the user not let a significant period of time elapse between obtaining and using the information.

### ***D. Disclaimer of Applicability of Data***

The information provided does not replace the need for conducting field surveys. Users must assume responsibility to determine the use of this data.
