Note: TIP Amendment requests that require air quality conformity re-determination and/or a Regional Transportation Plan Amendment (“Plan Amendment”) take longer to process than indicated by the schedule. TIP Amendment requests that meet either of those conditions will be amended into the TIP after the conformity determination and/or the Plan Amendment is complete.

¹ Amendment requests are due by 5:00 pm to the NFRMPO Office on the first business day of each TIP Amendment cycle.

² The 30-day Public Comment period opens when the next TAC meeting packet is released, one week prior to the TAC meeting.

³ The dates identified for opening the Public Comment period, TAC Recommendation, Planning Council Approval, and closing the Public Comment period are based on TAC and Council meetings anticipated to be scheduled as of November 9, 2022. If a TAC or Council meeting is cancelled, the TIP Amendment will be brought to the next scheduled meeting and the timeline for the TIP Amendment cycle will be extended.

⁴ Planning Council Approval is contingent on no public comment submitted after the Council meeting and prior to the closing of the Public Comment period.
